Answers

1. What is the difference between The Rapture and The Second coming of Christ? **The Rapture is to remove The Church so God's wrath can start on earth. Jesus does not literally step foot on the earth but will call Christians up on a cloud. The definition of Rapture is, come up here or caught up. The second coming of Christ is when Jesus will literally step foot on the earth as King of Kings and Lord of Lords. Everyone on earth will know He is the Messiah, the Lord. He comes for judgement of the wicked and will save His people of faith.**
2. Who are the people that marry Jesus and who are the people that are invited to the marriage supper after the wedding ceremony? **The Christians of The Church Age are the only people who will marry Jesus. The people who are invited to the Marriage Supper are the believers from before Christ's death and after the Rapture.**
3. Who are "The Dead" described in Revelation 19:11 under judgement at The Final Judgement? **The dead are all the people who refuse, reject, and war against Jesus, His people and His city Jerusalem from the beginning of**

time to the end of time. They are not the Christians, the Church. The Christians will be the judges on the thrones judging the dead and the fallen angels for their wickedness. Once Christians reach heaven, they can never lose their souls.

4. Who are the people that have all power, dominion, authority, rulership, royalty, heirs of God, co-heirs with Jesus, the highest hierarchy as Jesus, crowned, wearing dazzling white robes, priests, and judges over all creation? **The Christians from The Church Age.**
5. Describe eternal life in your own words. **This answer will be personal to you. There isn't a lot you could get wrong here, but a lot for you to get right. It is all about uniting as one with Jesus Our Lord and God Our Father for eternity with rewards, hierarchy, and dominion over all creation in this world and the next world, that we do not deserve, that He chose us for.**
